When the Bible uses the term "magic" it is clearly dealing with a person's involvement in the supernatural, usually with the collaboration of evil spirits. The Bible makes it clear that God does not want people to dabble in games with the devil like, Ouija boards, tarot cards, the occult and horoscopes. The Christian has no business playing with these, since they open the door to demonic influence. Let it be emphasized that no true Christian magician or Gospel Illusionist is in anyway involved in or promotes the use of supernatural powers.
